Dr. Dilip P. Garud
(M. Sc. Ph.D.)
Principal

1.1.1: The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Our college prepares the Academic Calendar on the basis of the Academic Calendar provided by the university. Meetings of the Principal, IQAC, HODs and Faculty take place and the AC is prepared. College has developed the structure to implement effective curriculum. The details are given below:

Principal, IQAC, HoDs and Faculty Members Meeting: The meeting about AC, different effective academic activities takes place at the commencement of the academic year. HoDs are instructed to conduct departmental meeting and divide the workload and prepare all the requisite documents including Daily Teaching Diary, Attendance, Laboratory Schedule, for effective implementation of the curriculum and its delivery.

Academic Calendar: Every year, our college prepares the Academic Calendar based on the tentative programme given by the affiliated university. A separate committee has been made to prepare the Academic Calendar. The Academic Calendar contains all the academic activities including commencement of teaching, tests, internals, practicals and semester examinations.

Teaching Plan, Daily Teaching Diary and Attendance: All HoDs conduct the departmental meeting. HoDs assign the work load as per the norms and all faculty members prepare the Annual teaching Plan, Daily Teaching Diary and Attendance Registers. The Daily Teaching Diary of every faculty is reviewed by the HoDs and Principal periodically.

Time Table: Our College has Time Table Committee which prepares the time table, including teaching and practical sessions, of every academic year at the beginning itself and the same is displayed on the notice board and circulated among all the faculty members and same is uploaded on the website of the college.

E Content Development: For effective curriculum delivery and its implementation the e content, PPTs., QR Codes, Animations, Videos, etc., is developed on the basis of

prescribed syllabus and other references by every department and the same is delivered effectively with the help of projectors and different applications.

Departmental Library: Besides the central library, every department in the college has its own departmental library which is open for all the departmental students. It has different reference books and e-books as well. A separate accession register has been maintained and complete access is given to all the concerned departmental students.

Review and Assessment: Effectiveness of the curriculum delivery is reviewed and judged through internal evaluation in Unit Tests, Assignments and Preliminary Examinations, prior to the University examinations. A curriculum is planned as per teaching plan prepared by teachers, and its delivery is recorded in. The record of the attendance also helps in Internal Assessment. The Principal, mentors and faculty members informally meet the parents / guardians of students to discuss matters related to overall progress of the students wherever necessary

The Bridge Course: The Bridge Courses are conducted by departments at the beginning of first semester to orient the students to bridge the gap between pre-University and university pattern and for identifying slow and advanced learners.

Feedback: The feedback from students, parents and alumni is taken and analysed and necessary action is taken wherever possible. Internal and external academic Audit is carried out by the experts.
