### **1.3.1: Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum:**

Our college integrates crosscutting issues relevant to professional ethics, gender, human values, environment and sustainability into the curriculum. Since it is affiliated college so the University forms the syllabus and all affiliated colleges follow the same but still we try our level best to incorporate aforesaid issues and inculcate the values, ethics among the students. It ensures not only effective curriculum delivery but also makes every effort to impart a holistic education that goes beyond the curriculum through myriad activities conducted throughout the year. Through these programmes universal moral, social values, sensitivity towards gender issues and environmental consciousness is inculcated among the students imbibe.

**Gender Sensitization:** The College has Women Internal Grievance Redressal Cell, Counseling Cell to provide counseling to students, promote gender equity among students and also deal with related issues of safety and security of girl students and staff. The lectures, seminars and workshops are organised on gender equality. The entire campus is covered with CCTV and proper security gates. The college has a separate Girls' hostel with boarding facility with all security measures.

**Moral Values, Human Values and Professional Ethics:** We've made values and ethics as is an integral part of the curriculum. The birth and commemoration days of the legends and national leaders are celebrated, various days like Yoga day, women's day, teachers' day, independence day, republic day, university foundation day, women empowerment programme, etc are celebrated. Prominent speakers are invited to deliver talks on these different occasions. In addition, various certificate courses are introduced through every department for the students. These different activities provide free environment for inculcating values and developing ethical comprehensiveness among the students.

**Environment and Sustainability:** There is one compulsory course, Environmental Science, for second year students. The college has the N.S.S. unit which promotes environmental preservation through tree plantation and other sustainable development programs. Every year, N.S.S. unit undertakes a host of activities in the nearby villages during the special camps.

3. Environmental education through projects, fieldwork, plantation. Students are also encouraged to participate in different programmes like online quiz contests organized by other Institutions for enhancing awareness related to the environment.
4. Human values promoted through the activities of the NSS. The NSS unit of the College refers to the Handbook of NSS, for illuminating the young minds of the duties and responsibilities of the citizens of this country.
5. Community outreach and other social welfare programmes
6. Value education and health workshops.
7. Handbook of Ethics and Code of Conduct mentioned in the College brochure and also enunciated by the Principal during Students' Orientation
8. Programmes on professional ethics and value education conducted by the Departments
9. Observance World Environment Day, Forest Week
10. Upholding values of multiculturalism, egalitarianism, diversity and gender empowerment through functions like the Annual Programme, Independence and Republic Day celebrations.
