6.1.1: The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance

Vision

To mould students from rural arena into well-meaning citizens of the nation and empower them significantly to contribute for the Nation's development through a socially committed, scientifically, intellectually and technically sound, culture and future oriented paradigm of learning.

Mission

To aspire and strive for excellence in educational arena by improving and motivating the students and to make them realize their potential for achieving the goals sincerely and inculcating moral values among them to be the successful and responsible citizen of the nation.

The Vision, Mission and Objectives of the institution clearly points towards a value based education, based on the curriculum of the affiliating university combining it with the core values. Our college runs under the aegis of "Shramajivi Shikshan Prasarak Mandal". The college has completed its 32 years of existence and has a strong bonding with the local students studying in this college. This includes a number of minorities and marginalized section students.

The vision of the institution is idea to educate and empower students through inspiring them to reach the level of perfection. The institution has tried to support the learners by identifying the capabilities of different individuals and guiding them to achieve excellence.

The aim of the university is to prepare those graduates who can apply the knowledge they gained and be instrumental in redefining the standards of education. The student achievement and development is the core aspects of education provided in the university. Making students learn to achieve their goals with continuous support in the relevant areas by the institution. The priority of the university is to prepare such graduates who are well equipped with confidence, expertise and a vision to do greater good to mankind. Although institutional performance in an area distinctive to the vision and priority of the institution are many such as world class education, reaching the one in need, technical advancements, carrier guidance, creating platform for international exposure, training individuals for profession, research and experimentation in science and technology, sports activities.

The areas of institutional performance worth mentioning are the continuous efforts of the institution in field of research in science and technology related areas. There are extensive laboratories for the science and technological fields in which the faculty and researchers are continuously working on the research projects.

The college aims at creating a hatching ground for the students to develop their hobbies and achieve success in life facilitating the students with the required knowledge, experience and exposure to pursue their dreams with gainful employment. With the skills gained, the student becomes more determined and confident in facing the future.

The college offers the following conventional and professional courses for learners. They are B. A., B. Sc., B. Com., M.A. (History), M.Sc. (Microbiology, Botany, Zoology, Mathematics, and Computer Science).

The institution has framed various strategies to enhance the quality improvement in teaching and learning. Each teacher prepares annual teaching plan at the beginning of the academic year. The emphasis is given on enhancement of teaching learning by using conventional as well as modern aids such as, computers, LCD projectors, OHP, charts, specimens, models, power point and smart board. Elocution, debate, essay competitions are conducted in the college and students are sent to other colleges for intercollegiate, state and national level competitions. Students are involved in social activities like blood donation, leprosy search, Chikungunya survey, AIDS awareness rally, Adult continuing education rally, national literacy mission rally through social service committee. Students are encouraged to participate in district, university and state level youth festivals and sports activities.

The college promotes faculty participation in research by providing leave and other amenities. The college encourages the faculty to participate in research activities, conferences, seminars, workshops.

Currently the College has University recognized research guides in subjects Physics, Industrial chemistry, Zoology, Botany, Microbiology, English, Marathi, Hindi and Economics.

Our institution organizes training programme/ workshops/ conferences etc for human resource development and human resource management. We have Credit Co-operative society, Staff welfare fund, Group Insurance Scheme.

For the students Scholarship schemes such as GOI, EBC, PH, Minority, Primary teacher' ward are available. We are using digital technology for education and other services. We have Virtual Classroom, Advanced laboratories, Use of ICT in the classrooms. Guest lectures on career guidance are organized through various subject associations. Curricular and extracurricular activities are organized.
