- **Introduction:**

Competitive exam guide centers are organizations that provide coaching and guidance to individuals who are preparing for competitive exams. These centers offer a variety of services and resources to help students succeed in their exams, including study materials, mock tests, online resources, and personalized coaching.

The primary objective of these centers is to help students prepare for competitive exams such as the UPSC Civil Services Examination, IBPS Banking Exams, SSC Exams, MPSC, Staff selection commission and others. These exams are highly competitive and require a great deal of preparation and hard work.

Competitive exam guide centers have experienced faculty members who provide students with expert guidance and support. These centers also offer regular classroom sessions, online classes, and doubt-solving sessions to help students clarify their doubts and strengthen their concepts.

In addition, these centers offer comprehensive study material and practice tests to help students identify their strengths and weaknesses and focus their efforts accordingly. They also provide guidance on time management, exam strategy, and other important aspects of exam preparation.

Overall, competitive exam guide centers play a vital role in helping students achieve their career goals by providing them with the guidance and resources they need to succeed in highly competitive exams.

Some competitive exam guide centers also offer counseling services to help students choose the right career path based on their interests, skills, and aptitude. They provide information on various career options available in different fields and help students make informed decisions about their future.

Moreover, these centers organize various workshops, seminars, and guest lectures by experts in different fields to provide students with insights and knowledge beyond their regular course curriculum. This helps students broaden their horizons and gain a better understanding of different topics and concepts.

Many competitive exam guide centers also offer online courses and resources to

cater to the needs of students who cannot attend regular classroom sessions due to geographical or other constraints. This has made it possible for students from different parts of the world to access quality education and guidance from the comfort of their homes.

In conclusion, competitive exam guide centers are an invaluable resource for students preparing for competitive exams. They provide students with the guidance, resources, and support they need to succeed in their exams and achieve their career goals.

- **About Cell:**

Competitive exam guide centers play an important role in helping students prepare for various competitive exams, including UPSC Civil Services, IBPS Banking, SSC, MPSC, and more.

These centers provide students with the guidance, resources, and support they need to succeed in their exams and achieve their career goals.

One of the key benefits of competitive exam guide centers is that they provide students with access to experienced faculty members who have in-depth knowledge of the subjects and exams they are preparing for. These faculty members provide personalized coaching and doubt-solving sessions to help students clarify their doubts and strengthen their concepts. They also offer guidance on time management, exam strategy, and other important aspects of exam preparation.

Competitive exam guide centers also provide students with a range of resources and study materials, including textbooks, practice tests, online resources, and more. These resources help students identify their strengths and weaknesses and focus their efforts accordingly. They also help students stay up-to-date with the latest developments in their field and gain a better understanding of advanced concepts.

In addition, many competitive exam guide centers offer counseling services to help students choose the right career path based on their interests, skills, and aptitude. They provide information on various career options available in different fields and help students make informed decisions about their future.

Overall, competitive exam guide centers are a valuable resource for students

preparing for competitive exams. They provide students with the guidance, resources, and support they need to succeed in their exams and pursue their career goals. By helping students achieve their full potential, these centers play an important role in shaping the future of our society.

We have been living in a highly competitive postmodern era where all the career choices, opportunities and our efforts determine the quality of our life in the coming days of life. The competition has been increasing every day and even disappeared the courses that were called non-conventional ones. By taking this view in mind, our college has started the guidance cell with some online courses like Infosys and Career Katta, SWAYAM Online Courses for our students and faculty. Besides, the College has its own Career Counseling Cell which takes initiative to organize some fruitful events for the students. It invites some resource persons and guidance to achieve success in different arenas is made available for the students.

Our College has been running two crucial online courses of Infosys and Career Katta being sponsored by the State Government (Director, Higher Education and Technical Education) and Infosys Ltd. Bangalore. An MoU has been signed between Bangalore. Under the said Memorandum of Understanding, Infosys Ltd. This company etc. More than 3900 course are scheduled to be conducted through virtual system under Springboard initiative. There are many students of our college who have registered for the said coerces and completed the same. Through these courses the online guidance is made available for our students. The college also organized the campus placement drive for our students. The details are given below:

- **Teaching Faculty/coordinators:**

As a teaching faculty at a competitive exam guide center, my primary responsibility is to help students achieve their academic goals and excel in their respective exams. To do this, we must possess a deep understanding of the subject matter, as well as effective teaching strategies to convey that knowledge to my students.

To begin with, it is essential to have a thorough understanding of the exam syllabus and pattern. This knowledge allows me to structure my teaching plan and create lesson

plans that focus on the key topics and concepts that are most likely to appear on the exam. Additionally, it allows me to provide students with targeted practice materials and mock exams that simulate the actual exam experience.

Effective communication is another critical aspect of teaching. We make sure to present the material in a clear, concise, and engaging manner. This involves using real-life examples, practical applications, and interactive teaching methods such as group discussions, debates, and quizzes. We also encourage students to ask questions, seek clarification, and provide feedback to help me improve my teaching approach.

At a competitive exam guide center, it is crucial to provide students with individual attention and support. This means identifying the strengths and weaknesses of each student and providing personalized guidance to help them improve. We provide additional resources, such as study guides and reference materials, to supplement classroom instruction.

In conclusion, being a teaching faculty at a competitive exam guide center is a challenging but rewarding experience. By possessing a deep understanding of the subject matter, effective communication skills, and a commitment to personalized instruction, we can help students achieve their academic goals and succeed in their respective exams.

Furthermore, as a teaching faculty at a competitive exam guide center, we understand the importance of staying up-to-date with the latest developments in the field. This involves keeping track of any changes in the exam pattern or syllabus, as well as new teaching techniques and technologies. We make sure to attend workshops, conferences, and training sessions to stay informed and continually improve my teaching skills.

Additionally, creating a positive learning environment is crucial to the success of students. We strive to create a supportive and encouraging atmosphere in the classroom that fosters curiosity, creativity, and critical thinking. We believe that a positive learning environment not only helps students perform better on exams but also encourages lifelong learning.

Finally, we recognize that the success of my students is the ultimate measure of my effectiveness as a teaching faculty. It is incredibly rewarding to see my students achieve

their academic goals and excel in their exams. As a teaching faculty, we take pride in playing a small but significant role in their success and am committed to continuing to provide the best possible instruction and guidance to my students.

In conclusion, being a teaching faculty at a competitive exam guide center requires a combination of subject matter expertise, effective teaching strategies, and a commitment to personalized instruction. By creating a positive learning environment, staying up-to-date with the latest developments in the field, and focusing on individual student needs, we can help my students achieve their academic goals and succeed in their respective exams. The following faculty members look after this cell and do all the requisite things.

- **Enrollment of the Students:**

Competitive exam guide centers are always looking to increase student enrollment and attract more students who are interested in preparing for competitive exams. These centers use various strategies to attract students, including advertising, social media marketing, and word-of-mouth referrals.

One effective strategy used by competitive exam guide centers is to offer a free trial or demo class to potential students. This allows students to experience the teaching methodology, faculty expertise, and study material provided by the center before enrolling for the full course. The free trial or demo class is a great way to attract potential students who may be hesitant to invest in a course without knowing what they can expect from it.

Another effective strategy is to offer discounts or scholarships to students who excel in their academics or show exceptional aptitude in the subject. This helps to

attract the best and brightest students who are motivated to succeed and achieve their career goals. Competitive exam guide centers also use social media platforms such as Facebook, Twitter, and Instagram to reach out to potential students and promote their services. They create engaging content, share success stories of their students, and offer tips and advice related to exam preparation to attract students to their centre.

In addition, competitive exam guide centers may also collaborate with schools and colleges to reach out to students who are interested in preparing for competitive exams. They may conduct workshops, seminars, and guest lectures at schools and colleges to educate students about the benefits of enrolling in their courses and the various career options available to them.

Overall, competitive exam guide centers use various strategies to attract students and increase their enrollment. By providing quality education and guidance, these centers help students achieve their career goals and succeed in their chosen field.

Please submit the completed registration form along with the registration fee to the Competitive Exam Guide Centre. Upon receipt of the registration form and fee, our team will contact you to confirm your registration and provide you with further details regarding the course, study material, and schedule. Thank you for choosing our Competitive Exam Guide Centre to prepare for your competitive exams. We look forward to helping you achieve your career goals.

- **Activities:**

Competitive exam guide centers are dedicated institutions that provide training and guidance to students preparing for competitive exams. These centers offer a wide range of activities to help students achieve their academic goals and excel in their respective exams. In this article, we will discuss some of the different activities that are offered by competitive exam guide centers.

Classroom instruction: Classroom instruction is the primary activity of a competitive exam guide center. The centers provide lectures, tutorials, and interactive sessions to help students understand the concepts and topics covered in the exam syllabus. Classroom instruction helps students learn the material in a structured manner and provides an opportunity to ask questions and seek clarification.

Mock tests and practice exams: Mock tests and practice exams are crucial activities offered by competitive exam guide centers. These tests simulate the actual exam experience and help students understand the exam pattern and timing. Mock tests and practice exams help students evaluate their performance and identify areas where they need improvement.

Study materials and reference books: Competitive exam guide centers provide study materials and reference books to supplement classroom instruction. These materials include books, study guides, and practice workbooks that help students learn the material and practice their skills.

Personalized guidance and counseling: Personalized guidance and counseling are essential activities offered by competitive exam guide centers. These activities help students identify their strengths and weaknesses and provide personalized guidance to help them improve their performance. Guidance and counseling also help students manage stress and anxiety associated with competitive exams.

Workshops and seminars: Competitive exam guide centers organize workshops and seminars to provide students with additional support and information. These activities cover a wide range of topics, including exam strategies, time management, and stress management. Workshops and seminars help students gain new insights and

perspectives and provide an opportunity to interact with experts in the field.

Technology-based learning: Technology-based learning is becoming increasingly popular in competitive exam guide centers. These centers use digital tools and resources to enhance the learning experience and provide students with access to a wealth of information. Technology-based learning includes online lectures, digital study materials, and interactive practice sessions.

In conclusion, competitive exam guide centers offer a wide range of activities to help students achieve their academic goals and excel in their respective exams. These activities include classroom instruction, mock tests and practice exams, study materials and reference books, personalized guidance and counseling, workshops and seminars, and technology-based learning. By offering a comprehensive range of activities, competitive exam guide centers provide students with the support and resources they need to succeed in competitive exams.

● **Syllabus**

✓ **UPSC pre exam**

The UPSC Preliminary Examination, also known as the Civil Services Preliminary Examination, consists of two papers - Paper I and Paper II. The syllabus for both papers is as follows:

Paper I: General Studies

- Current events of national and international importance History of India and Indian National Movement
- Indian and World Geography - Physical, Social, Economic Geography of India and the World Indian Polity and Governance - Constitution, Political System, Panchayati Raj, Public Policy, Rights Issues, etc.
- Economic and Social Development - Sustainable Development, Poverty, Inclusion, Demographics, Social Sector initiatives, etc.
- Environmental Ecology, Biodiversity and Climate Change - General issues on Environmental ecology, Bio-diversity and Climate Change.
- General Science

Paper II: CSAT (Civil Services Aptitude Test)

- Comprehension
- Interpersonal skills including communication skills
Logical reasoning and analytical ability
- Decision-making and problem-solving
General mental ability
- Basic numeracy (numbers and their relations, orders of magnitude, etc.) (Class X level), Data interpretation (charts, graphs, tables, data sufficiency, etc. - Class X level)
- Note: The marks scored in Paper II are not considered for qualifying for the Mains examination but a minimum of 33% marks is necessary to qualify for Paper I.

✓ MPSC rajyaseva pre exam syllabus

The MPSC (Maharashtra Public Service Commission) Rajyaseva Preliminary Examination consists of two papers - Paper I and Paper II. The syllabus for both papers is as follows:

Paper I: General Studies

- Current events of national and international importance
History of India and Indian National Movement
- Geography of India and the World - Physical, Social, Economic Geography of India and the World
- Indian Polity and Governance - Constitution, Political System, Panchayati Raj, Public Policy, Rights Issues, etc.
- Economic and Social Development - Sustainable Development, Poverty, Inclusion, Demographics, Social Sector initiatives, etc.
- Environmental Ecology, Biodiversity and Climate Change - General issues on Environmental ecology, Bio-diversity and Climate Change.
- General Science and Technology

Paper II: CSAT (Civil Services Aptitude Test)

- Comprehension
- Interpersonal skills including communication skills
Logical reasoning and analytical ability
- Decision-making and problem-solving
General mental ability

- Basic numerical skills (numbers and their relations, orders of magnitude, etc.) (Class X level), Data interpretation (charts, graphs, tables, data sufficiency, etc. - Class X level)
- Note: The marks scored in Paper II are not considered for qualifying for the Mains examination but a minimum of 33% marks is necessary to qualify for Paper I.

प्रति,
भा. प्राचार्य / संचालक,
सर्व संलग्नीत महाविद्यालये / मान्यताप्राप्त शैक्षणिक संस्था.
शिवाजी विद्यापीठ, कोल्हापूर.

विषय : अंतराष्ट्र शासन व इन्फोसिस लि. बंगलोर सामंजस्य करार
या अनुषंगाने महाविद्यालयातील विद्यार्थ्यांच्या माहितीबाबत.

संदर्भ : क्रमांक- युएनआय/इन्फोसिस करार/विशि-१/१३५२, दि.३०/०३/२०२२ रोजीचे
भा. डॉ. प्रकाश बच्छाव, शिक्षण सहसंचालक, उच्च शिक्षण, पुणे यांचे पत्र.

महोदय/महोदया,

उपरोक्त संदर्भित विषयास अनुसरून आपणास आदेशान्वये कळविण्यात येते की, सदर सामंजस्य करारानंत महाविद्यालयीन विद्यार्थ्यांपासून प्रोत्सापित सर्वांना इन्फोसिस लि. या कंपनीच्या इ.सिग्नबोर्ड या उपक्रमांतर्गत ३९०० हून अधिक अभ्यासक्रमांचे वर्ग आपासी प्रणालीद्वारे घेण्याचे ठरले आहे. सदर प्रकल्पाकरिता आपल्या महाविद्यालयातील विद्यार्थ्यांच्या माहितीची आवश्यकता आहे. सदर कामासाठी एक Co-ordinator नेमावा व विद्यार्थ्यांना आपली माहिती त्यांनी उपलब्ध करून दिलेल्या लिंक वर भरण्यात यावी असे कळविले आहे.

सदर माहितीच्या अनुषंगाने त्यांनी पाठविलेल्या दोन्ही लिंक सांबत पाठवित आहोत. पहिल्या लिंक मध्ये आपल्या महाविद्यालयांची व नोडल अधिकारी यांची माहिती भरण्यात यावी. दुसरी लिंक विद्यार्थ्यांनी माहिती भरण्याबाबत असून सदर लिंक त्यांच्या ई-मेल आयडी, यॉट्स अॅप वर पाठवून अथवा विद्यापीठाच्या संकेतस्थळावर उपलब्ध करून दिलेल्या सदर लिंकवर भरण्यासंदर्भात सूचना आपल्या स्तरावर देण्यात याव्यात. महाविद्यालयाच्या प्राचार्यांनी सदर माहिती संदर्भात नेमणूक केलेल्या Co-ordinator यांच्या निर्देशनास आणून सदरप्रमाणे त्वरीत कार्यवाही करून घेण्यात यावी. खालील दिलेल्या लिंक वर तात्काळ माहिती भरून विद्यापीठास सहकार्य करावी ही विनंती.

लिंक 1. College information to be filled in the link
<https://neetakhobragade.in/CollegeRegistration.php>

लिंक 2. College should share the proper AISHE code with student and circulate the link with them <https://neetakhobragade.in/CollegeStudentRegistration.php>

सदर लिंक मध्ये माहिती नोंद करत असताना काही अडथळा निर्माण झाल्यास सॉफ्टवेर कड, कोल्हापूर क्रमांक ३१३, शिवाजी विद्यापीठ, कोल्हापूर. दूरध्वनी क्रमांक ०२३१-२६०-९१४७ येथे संपर्क साधावा, कळवावे.

- **Career Katta:**

This year Career Katta has been started for our college students for competitive examination, self employment and personality development. Students are required to register at the time of admission to participate in this activity. 365/- Rs.365/- for first year students to register. If paid, he does not need to pay for 3 years, in this I. A. S. UPSC, MPSC Foundation, Banking, Police Recruitment, Cyber Security, E-Filing and IAS officers guide your visit for "A Plan" of students and 50 Add on Courses for "B Plan" of students every year along with five other courses are given free of cost. go In such a way that they can do 15 courses in three years, the first year student is prepared to stand competently in life by completing A plan along with B plan in three years. He can achieve his goal in any situation. Job opportunities are also provided to them under the Career Katta initiative. Also, under this initiative, the entrepreneur meets the students through the Entrepreneurship Development Center and provides training to the students to set up a business; their problems are solved until the business starts. They are assisted till the goods are sold. 1400 courses have been made available under Model Skill Development Centre. Through this, many job opportunities will be available to the students and they can do this trade, business or industry themselves. It can determine which way you want to go, whether it's a job or an industry. A separate coordinator has been appointed for the said courses and our college has made available this online guidance for our students. The details are given below:

- **SWAYAM Online Courses:**

Our College has been running the SWAYAM online courses for the students and faculty of the college. The college has formed one committee for this and it consists of Hon. Principal of the College, Dr. D. P. Garud as the Chairman and Mr. Jojan R. R. and Dr. Mothe P. S. as Co-ordinators. The details of the said committee are given below:

Introduction:

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

SWAYAM conducts on-line certification courses on a variety of subjects for which exams are held every semester in the Computer Based Mode or in hybrid mode, i.e. CBT mode and paper pen mode.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

In order to ensure that best quality content is produced and delivered, nine National Coordinators have been appointed. They are:

1. AICTE (All India Council for Technical Education) for self-paced and international courses
2. NPTEL (National Programme on Technology Enhanced Learning) for Engineering
3. UGC (University Grants Commission) for non technical post-graduation education
4. CEC (Consortium for Educational Communication) for under-graduate education
5. NCERT (National Council of Educational Research and Training) for school education
6. NIOS (National Institute of Open Schooling) for school education
7. IGNOU (Indira Gandhi National Open University) for out-of-school students
8. IIMB (Indian Institute of Management, Bangalore) for management studies
9. NITTTR (National Institute of Technical Teachers Training and Research) for Teacher Training programme

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if this criteria is matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

WELCOME TO SWAYAM

Online Refresher Course In Chemistry For Higher Education

Online Refresher Course In Chemistry For Higher Education

This online course has been designed and developed by **National Resource Centre of MHRD** at Guru Angad Dev Teaching Learning Centre, a centre under PMMMNMTT scheme of MHRD, Govt. of India at SGTB Khalsa College, University of Delhi **with the help of expertise from all over the country**. The NRC of Chemistry is guided by Academic Council consisting of eminent Chemist from the leading institutes of the country.

This is a Refresher Course for Chemistry Teachers teaching in Higher Education Institutions at Under-Graduate and post-Graduate level. As per MHRD & UGC, this will be treated equivalent to face-to-face Refresher Course in Chemistry as required under Career Advancement Scheme (CAS) of UGC.

This course has been designed to provide insight into a variety of interesting and meaningful chemistry topics as modules of different types, so that it is useful for all the chemistry teachers irrespective of their specializations.

The different type of modules covered in this course have been categorized based on the type their content like **ChemNews** module which will bring the latest news from the world of chemistry. **ChemTalks** focus on the Latest Developments as well as new and emerging areas of Chemistry. The **ChemSafeLabs** modules will emphasize various measures to prevent accidents in chemistry labs. **ChemNobel Laureate** will take you down the memory lane to discuss the life and contributions of Ernest Rutherford. **Chem Pedagogy** modules will highlight on improving curriculum development and question paper setting. **Chem Simplified** aims to simplify some difficult concepts of chemistry. **Chem ICTTools** focus on ICT tools which can be embraced by chemistry teachers. To commemorate 150th anniversary of periodic table in 2019, one module is entitled **ChemHistory**. In **ChemError** module, emphasis will be on the correct usage of SI units and their recently modified definitions. **ChemIndustry** modules will focus on the Pharmaceutical industry and career options for chemistry students. **ChemMisconceptions** will try to clarify some chemistry misconceptions. **ChemApplications** modules will provide some real life examples to make chemistry teaching interesting in the classrooms. **ChemQuest** will make you learn chemistry through question and answers in an exciting manner.

The course has highly multimedia enriched videos along with text, reading material, references and online Quizzes.

Target Audience:

- Chemistry Teachers teaching in Higher Education Institutions at Under-Graduate and post-Graduate level. **(Equivalent to Refresher Course as well as for self-learning)**
- Chemistry School Teachers **(For self-learning)**
- UG & PG Chemistry Students **(For self-learning)**

Dr. (Mrs.) Vimal Rarh

Dr Vimal Rarh is a Senior Chemistry Faculty at SGTB Khalsa College, University of Delhi. She is one of the leading e-learning experts of India who has made a mark at the national level in various activities such as development of e-content, e-Labs, e-LOs, MOOCs, on-line examination, empowerment of teachers in ICT skills, introduction of newer teaching methodologies etc. not only in chemistry but guided the same for other disciplines as well. Apart from her e-learning expertise, she has her research interest in Forensic Science and Organic Chemistry. She has to her credit many research papers, **a patent**, books, presentations, projects and invited talks at local, National and International forums. She has also guided Ph.D and M.Phil students. She has authored/co-authored more than **350 modules as e-content** in four quadrant format for SWAYAM and other platforms.

She is the project Head and Joint Director of the prestigious **“Guru Angad Dev Teaching Learning Centre” of MHRD, Govt. of India, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Training (PMMMNMTT)** scheme. Under her leadership **more than 6000 teachers across the nation** have been trained in the last three years through various workshops/seminars/training programs at GAD-TLC. She has contributed in the curriculum development of newly introduced mandatory one month **Faculty Induction Program** under the PMMMNMTT scheme of MHRD, Govt. of India for the entire country. She is the Coordinator of **National Resource Centre of Chemistry of MHRD, Govt. of India.**

Dr. Rarh is actively involved in **policy formulation and implementation** through various national level Committees at UGC. She has been Member of Committee which **formulated UGC Regulations for Online Programmes/Courses (2018)** and many other Committees at UGC. She is a Governing body/ Advisory committee member at 8 premier autonomous colleges in India as UGC Nominee. In her administrative role and technical coordination at **Centre for e-Learning, ePGPathshala projects of UGC in six subjects** namely, Chemistry, Commerce, Forensic Science, Economics, Psychology and Business Economics have been successfully completed. She herself is the **Principal Investigator** for Chemistry project. Under her able technical and administrative guidance, **42 MOOCs** in six subjects have been developed and run successfully two times on **SWAYAM portal of Govt. of India. Of these, she has developed 8 MOOCs of Chemistry as**

PI.

She is using her expertise of e-learning not only for improving the quality of education but also for **social cause**. She is Project Head of development of online Course for “**Cancer Awareness**” for Indian Cancer Society and for development of **training e-modules on Forensic Science** for Police Training School, Delhi Police.

COURSE TYPE

Not Applicable

COURSE LEVEL

Postgraduate

COURSE LAYOUT**Week 1:**

- Module 1: ChemNews
- Module 2: ChemNobleLaureate: Ernest Rutherford
- Weekly Quiz-1

Week 2:

- Module 3: ChemSafeLabs: Safety Symbols and MSDS
- Module 4: ChemSimplified: Understanding Quantum Mechanics: A Chemist's Perspective- Part-1
- Weekly Quiz-2

Week 3:

- Module 5: ChemTalk: Nucleophilic Substitution Reactions-Focus on S_N1 Reactions
- Module 6: ChemSafeLabs: Prevention of Accidents and First Aid Measures: Part-1
- Module 7: ChemSafeLabs: Prevention of Accidents and First Aid Measures: Part-2
- Weekly Quiz-3

Week 4:

- Module 8: ChemSimplified: Understanding Quantum Mechanics: A Chemist's Perspective- Part-2
- Module 9: ChemSimplified: Understanding Quantum Mechanics: A Chemist's Perspective- Part-3
- Module 10: ChemSimplified: Mixture Analysis made Simple
- Weekly Quiz-4

Week 5:

- Module 11: ChemTalk: Computer aided Drug Design
- Module 12: ChemApplications: Fats and Oils: Part-1
- Module 13: ChemApplications: Fats and Oils: Part-2
- Weekly Quiz-5

Week 6:

- Module 14: ChemHistory: 150th Anniversary of Periodic Table
- Module 15: ChemSimplified: Coordination Chemistry: Part-1
- Module 16: ChemSimplified: Coordination Chemistry: Part-2
- Weekly Quiz-6

Week 7:

- Module 17: ChemErrors: SI Units and their Correct Usage
- Module 18: ChemSimplified: Photochemistry: Part-1
- Module 19: ChemSimplified: Photochemistry: Part-2
- Weekly Quiz-7

Week 8:

- Revision Week
- Revision Quiz- 8

Week 9:

- Module 20: ChemSimplified: Understanding Quantum Mechanics: A Chemist's Perspective- Part-4
- Module 21: ChemSimplified: NMR Spectroscopy & Its Applications: Part-1
- Module 22: ChemSimplified: NMR Spectroscopy & Its Applications: Part-2
- Weekly Quiz-9

Week 10:

- Module 23: ChemApplications: Carbon Based Engineering Materials
- Module 24: ChemIndustry: Pharmaceutical Industry: Part-1
- Module 25: ChemIndustry: Pharmaceutical Industry: Part-2
- Weekly Quiz-10

Week 11:

- Module 26: ChemPedagogy: Curriculum Development and Transaction
- Module 27: ChemTalk: X-ray Diffraction: Part-1
- Module 28: ChemTalk: X-ray Diffraction: Part-2
- Weekly Quiz-11

Week 12:

- Module 29: ChemMisconception: Electrophiles
- Module 30: ChemSimplified: Non-Equivalent Hybrid Orbitals: Part-1
- Module 31: ChemSimplified: Non-Equivalent Hybrid Orbitals: Part-2
- Weekly Quiz-12

Week 13:

- Module 32: ChemTalk: The Chemical Bond: Part-1
- Module 33: ChemTalk: The Chemical Bond: Part-2
- Module 34: ChemICT Tools: Learning Chemistry through Computers – ArgusLab
- Weekly Quiz-13

Week 14:

- Module 35: ChemPedagogy: Paper Setting
- Module 36: ChemTalk: Mass Spectrometry - Introduction and Different Ionization Methods: Part-1
- Module 37: ChemTalk: Mass Spectrometry - Introduction and Different Ionization Methods: Part-2
- Weekly Quiz-14

Week 15:

- Module 38: ChemQuest: Chemistry through Questions
- Module 39: ChemTalk: Mass Spectrometry-Interpretation of Mass Spectrum from Fragments to Molecules: Part-1
- Module 40: ChemTalk: Mass Spectrometry-Interpretation of Mass Spectrum from Fragments to Molecules: Part-2
- Weekly Quiz-15

Week 16

- onwards till Course Completion: Revision
- Revision Quiz- 16

SWAYAM ARPIT ONLINE COURSE CERTIFICATION

This Certificate is awarded to

RAVINDRA RACHAPPA JOJAN

for successfully completing the ARPIT Course for

Career Advancement Scheme(CAS) promotion

Online Refresher Course In Chemistry For Higher Education

with a "A" Grade in the proctored examination held on 16.02.2020

Sri Guru Tegh Bahadur Khalsa College, University of Delhi

Authorized Signatory of Institution (Course Coordinator)
Sri Guru Tegh Bahadur Khalsa College, University of Delhi

Authorized Signatory of AICTE

Date of Issue : 30/06/2020

www.swayam.gov.in

SWAYAM ARPIT ONLINE COURSE CERTIFICATION

This Certificate is awarded to

DR. BALAJI SHANKARRAO MORE

for successfully completing the ARPIT Course for

Career Advancement Scheme(CAS) promotion

Online Refresher Course In Chemistry For Higher Education

with a "D" Grade in the proctored examination held on 16.02.2020

Sri Guru Tegh Bahadur Khalsa College, University of Delhi

Authorized Signatory of Institution (Course Coordinator)
Sri Guru Tegh Bahadur Khalsa College, University of Delhi

Roll No: NPTEL22CY60533860017

To validate the certificate

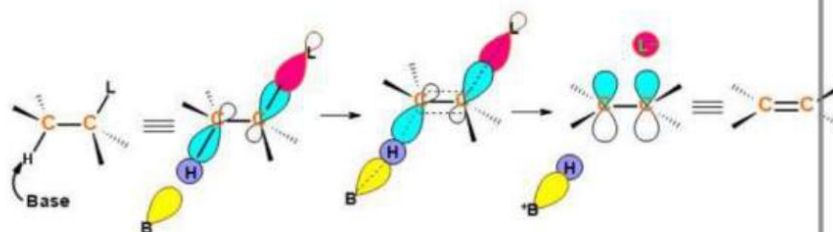

No. of credits recommended: 3 or 4

Number of Student Enroll

1. Vedant Dhondopant Deshpande -B.Sc.II nd year Roll No.10

Basic Organic Chemistry

This course is a 4 credit course (15 weeks, 40 module) for B. Sc. Chemistry Students. Here, Students will be taught how to improve their basic understanding of chemical concepts. The scientific explanation given in the video contents makes use of the following components: Presentations, chemical structures, figures, tables, images, use of molecular models, etc.

Who can benefit Any student or learner who wants to learn the basics of organic chemistry. The course shall be helpful for UG students (credit transfer), research scholars, young scientists and faculty members for their career growth. UG students who are in pursuit of excellence can learn more from this course. The course covers most of the topics (organic chemistry) that are part of various competitive exams. **IT-JEE, CSIR-NET, GATE, UPSC, SLET, SSC-CGL, various CET.** Industry support for jobs pharma, petrochemical, dye, perfume, agro chemicals industries

Dr. B. S. Balaji

Jawaharlal Nehru University

Dr. Balaji is working as Associate Professor at School of Biotechnology, Jawaharlal Nehru University. His area of specialization includes Green chemistry, synthetic chemistry, drug development, nano-chemistry, teaching and learning methodologies. He received his Ph.D in organic Chemistry from National Chemical Laboratory, Pune, affiliated to then Pune University. He spent three years as a Center of Excellence Foreign Visiting researcher at Hokkaido University, Sapporo, Japan. He then worked as Postdoctoral fellow and Research fellow (faculty track position) at University of Missouri, Columbia, USA. He has published many research publications (including a book) and holds four Indian patents. The research contribution from his laboratory had appeared in a few Journal cover pages (Chemical Communication, Nuclear Medicine and Biology) and appeared in local print and electronic media. He got his MBA from Anna University with Technology management as specialization.

He has been regularly contributing as a resource person for various Faculty development program to School, College and University faculty members. He had conducted more than 100 sessions. So far he had trained over 5000 Faculty members. Currently, he is coordinating with IIT-Madras in creating e-contents (home based recording) for SWAYAM Prabha TV channels. So far around 700 hrs e-learning contents had been created for the benefit of students. Prior to this Dr. Balaji served as subject matter expert/external Academic consultant to e-VidyaBharati/ ArogyaBharati project of Ministry of External affairs, Government of India in collaboration with National Institute for Smart Governance.

COURSE TYPE

Core

COURSE LEVEL

Undergraduate

COURSE LAYOUT**Syllabus****Week 1**

Introduction to chemical evolution, Carbon fixation-Calvin cycle

Introduction to molecular interactions, types of bonds
Common bonding pattern for carbon, oxygen and nitrogen
VSEPR theory
Tutorial: VB theory

Week 2

VB theory, hybridisation in methane, ammonia, amide, water, alkene, alkyne
MO theory, orbital overlap (s-s, s-p, p-p), bond order, s-p mixing

Week 3

Electronic effects 1: Inductive effects and its significance
Electronic effects 2: Resonance effects and its significance

Week 4

Electronic effects 3: Hyperconjugation and its significance
Tutorial: Acids and bases: Arrhenius, Bronsted-Lowry, and Lewis theories

Week 5

Functional groups and their importance
Tutorial : Formal charge

Week 6

Reactivity and intermediates
Carbocations, Carbanions, Free radicals and Carbenes

Week 7

Types of organic reactions and their mechanism
Addition, Elimination, Substitution and radical reactions
Stereochemistry 1: Fischer, Newmann and Sawhorse Projections
Tutorial: Fischer-DL

Week 8

Stereochemistry 2: Geometrical isomerism – cis/trans, E/Z notation, CIP rule
Optical Isomerism -enantiomer, diastereomer
Tutorial: Geometrical isomerism
Tutorial: enantiomer, diastereomer

Week 9

Chemistry of alkanes: formation, Wurtz Reaction, Wurtz-Fittig Reactions, Reactions of alkanes

Week 10

Electrophilic additions
Markownikoff and Anti Markownikoff addition
Reactions of alkenes 1: Oxymercuration-demercuration, Hydroboration-oxidation, Ozonolysis
Tutorial: E2
Tutorial: Electrophilic additions

Week 11

Reactions of alkenes 2: Catalytic reduction, 1,2-and 1,4-addition, Diels-Alder reaction

Week 12

Reactions of alkenes 3: Di-hydroxylation, Allylic and benzylic bromination and mechanism
Reactions of alkynes

Week 13

Conformation of cycloalkanes 1
Conformation of cycloalkanes 2
Conformation of cyclohexane

Week 14

Aromaticity 1: Huckel's rule, aromatic character of cyclic C3 and C4 systems
Aromaticity 2: aromatic character of cyclic C5-C7 systems, heterocycles

Week 15

Aromatic Electrophilic substitutions 1: Halogenation
Aromatic Electrophilic substitutions 2: Hammett and Illingworth empirical rule, Orientation
Aromatic Electrophilic substitutions 3: Nitration, sulphonation, Friedel-Crafts alkylations and acylation

D.O. No. F 1-8/2017(SWAYAM Board/SWAYAM)

Date:-27.02.2020

Dear SWAYAM Coordinator/Mentor,

Greetings from UGC!

I would like to appreciate your efforts for popularising SWAYAM courses among Students & Faculty in your respective Universities and Colleges.

Currently 43 Postgraduate and 61 Undergraduate courses are being offered in the January semester, 2020. The list is enclosed herewith and may be seen at SWAYAM website at the following link: <https://swayam.gov.in/CEC>.

The Universities and Colleges are requested to encourage more and more students to enrol in these courses. Kindly note that the exam dates of Postgraduate and Undergraduate SWAYAM courses are scheduled for 9th and 10th May, 2020. You are requested to factor in these dates while fixing your university / institution examination calendar.

The Operational Guidelines for SWAYAM Coordinator/Mentor is enclosed herewith, and you are requested to take proactive steps in all the activities mentioned in the Operational Guidelines and be a partner of UGC in taking the SWAYAM initiative forward.

With regards,

Yours sincerely,

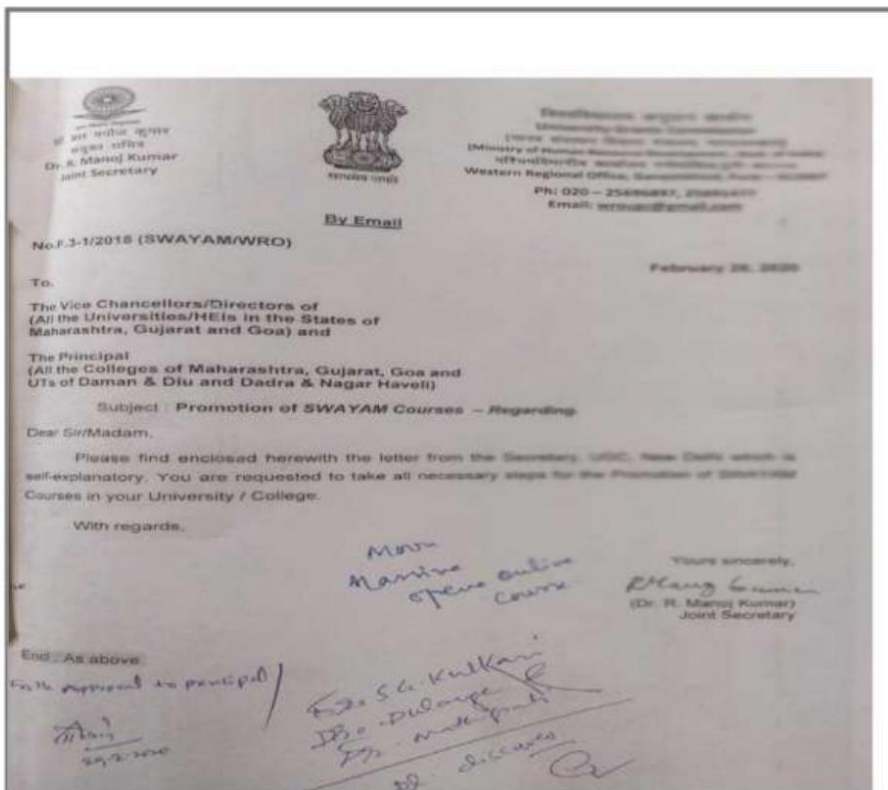

(Rajnish Jain)

Encl:- as above.

The SWAYAM Coordinators/Mentors of all Universities/Colleges.

Copies to:-

1. All ROs of UGC with a request that a similar campaign may be launched by the Universities & Colleges under the respective ROs

- **Outcome of the Activity:**

Competitive exam guide centers are dedicated to helping students prepare for various competitive exams, including UPSC Civil Services, IBPS Banking, SSC, MPSC, and more. These centers offer a range of resources and support to help students succeed in their exams and achieve their career goals.

One of the key outcomes of competitive exam guide centers is that they help students build a strong foundation in the subjects they are studying. They provide students with in-depth knowledge of the subjects, help them clarify their doubts, and strengthen their concepts. This not only helps students perform well in their exams but also prepares them for a successful career in their chosen field.

Competitive exam guide centers also help students develop essential skills such as critical thinking, problem-solving, time management, and exam strategy. These skills are essential for success not only in exams but also in various professional fields. By developing these skills, students are better equipped to face challenges and achieve their goals.

Another important outcome of competitive exam guide centers is that they help students stay up-to-date with the latest developments in their field. The centers provide students with access to updated study material, online resources, and expert faculty members who can guide them on the latest trends and advancements in their field. This helps students gain a better understanding of advanced concepts and stay ahead of the competition.

Competitive exam guide centers also play an important role in shaping the future of our society by producing competent and skilled professionals in various fields. The centers help students identify their strengths and interests and choose the right career path based on their aptitude. By providing quality education and guidance, these centers help students achieve their full potential and contribute to the development of our society.

In summary, competitive exam guide centers provide students with the guidance, resources, and support they need to succeed in their exams and achieve their career goals. By building a strong foundation, developing essential skills, and staying up-to-date with

the latest developments in their field, students are better equipped to face challenges and achieve success in their chosen field. The centers play a vital role in shaping the future of our society by producing skilled and competent professionals who contribute to the growth and development of our country.
